PRODUCT

Comrade Real Estate ERP

Built for UAE property developers, brokers & owners

What It Does

■ Properties & Listings

- Multi-property portfolio & unit types
- Floors, amenities, status tracking
- Public listings with enquiry capture

■ CRM & Sales Pipeline

- Leads → Viewings → Reservations → Sales
- Agent commissions & payslips
- Installment schedules & approval sheets

■ Tenancy & Leases

- Full lease lifecycle (Draft → Active → Renewed)
- Ejari-compliant contract printing
- PDC lifecycle: Collect → Deposit → Clear/Bounce

■ Maintenance & Assets

- Work orders with vendor SLA
- Preventive maintenance schedules
- Fixed asset register per unit/room

■ Accounting Core

- UAE-standard Chart of Accounts
- Double-entry journals, Trial Balance
- P&L, Balance Sheet, Petty Cash, Expenses

■ Alerts & Receivables

- Contract expiry, overdue payments, PDC due
- Vacancy planning, PM due alerts
- Top-bar bell with live unread count

Why Comrade?

- 1 Dedicated DB tables — zero collision with other systems
- 2 Live notifications (expiry, overdue, vacancy, PDC due)
- 3 Ejari-compliant contracts + PDC lifecycle in one app
- 4 Agreement-aware quoting — pull contracted rates instantly
- 5 Printable Dubai-standard & Ejari contracts + PDF download
- 6 Role-based menu visibility — tailored views per user
